

Hearts & Horses Scholarship Policies

Hearts & Horses strives to make our services available to all participants whose application for registration is accepted. Hearts & Horses fulfills this mission through the generosity of our supporters and the administration of a scholarship program based on financial need. Our scholarship funds come in through our annual fundraising and are not guaranteed.

SCHOLARSHIP POLICIES

Hearts & Horses determines financial eligibility using the HUD Income Guidelines Scale for Larimer County.

Scholarships provided are based upon financial NEED, on a first come, first served, basis. Renewal requests require a new application annually.

Hearts & Horses charges tuition per session. Scholarships are applied against the session tuition. This approach allows at least some access to services for all participants who qualify.

Hearts & Horses does not provide full (100%) scholarships for tuition. Every client must pay at least a minimal amount towards their session. All balances must be paid in full by the end of each session in order to continue riding in the following session.

Scholarships may be revoked if the participant misses 2 or more classes during a session.

If Household Gross Income changes during the year, applicant must submit new income documentation timely, which may increase or decrease scholarship award.

Hearts & Horses reserves the right to waive specific requirements on a case-by-case basis.
